**Tech Tips:**

**SUN040 – TUB TACK STRIP INSTALLATION**

The following illustration is provided from Mike Sherrell's, TC's Forever. Mike's detailed drawing clearly shows the TC tub tack strip specs and placement.

---

**TACKING STRIP DETAIL**

Section of sub frame showing position of tacking strip for wheel arch trim.

Details:
- Size: 6 1/2" x 3 1/2 x 1/8"
- Original material: Fiberglass board
- Two split rivets to sub frame before wheel arch (inner guard) fitted.
