NO. 73 G 2

February, 1973

**SUBJECT:**

SPECIAL TOOLS REQUIRED FOR  
AUSTIN MARINA

**MODELS:**

AUSTIN MARINA

Illustrated and described on the attached pages are the special service tools required by all Austin MG dealers for the proper servicing of the new Austin Marina.

Shortly you will receive the complete required tool kit from your Distributor. This is an extremely comprehensive kit, and the cost has been kept down to an absolute minimum.

Should you require additional kits, they can be ordered through your Distributor under Part No. BLT 4011.

Keep in mind that these complete kits are available only for a limited time during the Marina introduction. Later the tools will be available only individually, and at a greater cost.
