

TECHNICAL SERVICE BULLETIN

NO. 73/G/17

Austin MG

October, 1973

SUBJECT:

Cancelling 100% Return of
Marina Warranty Parts

MODELS:

Marina

Referring to Austin/MG Bulletin 73/G/3 and effective immediately, the special request to return 100% of displaced warranty parts under the Marina Quality Program is cancelled.

The program was especially useful in rapidly identifying field problems, and we would like to thank you all for your cooperation.

This bulletin does not affect any special arrangements individual dealers may have with their distributors, regarding the routine return of warranty displaced parts.
