Shortly you will receive an illustrated list of required special tools and supplementary tools for Austin MG, Jaguar, Triumph and Land Rover; effective June 1, 1974.

This listing is to be placed in your new Dealer Aids Binder. Naturally we expect that you will check the current listing against your tool inventory to make certain you comply with present requirements. An order form list attached to the listing will enable you to order any tools your service department is lacking for the makes you handle and any supplementary tools you may wish to purchase.
