SUBJECT:

WR SERIES IGNITION KEYS

MODELS:

ALL MODELS

We continue to receive complaints from owners about the unavailability of WR Series keys.

Curtis Industries have developed suitable equipment for producing these keys, which is readily available from their Eastlake Division. In the event that you require further information, please contact Curtis directly at the following address:

Curtis Noll Corporation  
Curtis Industries Division  
34999 Curtis Boulevard  
Eastlake, Ohio 44094
